Cloud Watching (Portuguese Edition) George Smolinski

Organizar e armazenar informações sempre foi uma preocupação da humanidade desde os tempos antigos e continuará sendo, pois é inerente a natureza humana.

Com o advento do Armazenamento Virtual, a forma como lidamos em manter tais informações seguras e organizadas mudou incrivelmente, tornando-se fundamental adaptar-se a esta nova era da tecnologia.

E para entender e usar esta tecnologia é que, com grande satisfação, tive o prazer de colaborar na publicação, em português, do livro do Dr. George Smolinski. Sua simplicidade, e a sua efetividade, em elucidar as características e utilização dos principais serviços disponíveis atualmente, faz desta obra ter uma importância singular no meio de tantos outros materiais disponíveis.
