God's Ear: A Play Jenny Schwartz

God's Ear marks the debut of Jenny Schwartz, "an indelibly clever playwright, possessed of linguistic playfulness and a lively sense of rhythm" (Alexis Soloski, *The Village Voice*). Through the skillfully disarming use of clichéd language and homilies, the play explores with subtle grace and depth the way the death of a child tears one family apart, while showcasing the talents of a promising young playwright who "in [a] very modern way [is] making a rather old-fashioned case for the power of the written word" (Jason Zinoman, *The New York Times*).

Fresh from its critically acclaimed off-off-Broadway run this past spring, *God's Ear* moves off-Broadway to the Vineyard Theatre in April 2008.
