## **Talent Is An Asset: The Story Of Sparks** Daryl Easlea

When LA musicians Russell and Ron Mael moved to Britain in 1973, they hit the pop world as **Sparks** and looked like oddballs, even in the context of the glam rock movement that made them welcome. Soon defined by their weird and wonderful 1974 single *This Town Ain't Big Enough For The Both Of Us* from the *Kimono My House* album, **Sparks** have now released 22 albums over four decades, each record inhabiting a bizarre world of its own.

Their songs were peppered with puns and pop culture nods, as well as nostalgia and jokey images, all mixed up in a kaleidoscope of musical references ranging from rock to opera to disco. They remain one of pop music's truly original and uncompromising acts.

The **Sparks** story is now celebrated in this unauthorised book, Daryl Easlea's exploration of their extraordinary drawing on hours of new interviews and research. **Talent Is An Asset** comes as close as possible to pinning down the quicksilver nature of two gifted musicians who have gone out of their way to remain unpredictable and elusive, forever entrenched behind a dazzling gallery of jokes, impersonations and musical eccentricities.
