If you're a bride-to-be who isn't sure how to even begin answering those questions and others like them, or who has a head full of ideas but no way to organize them, *The Little White Book of Wedding Planning Wisdom* is the guide you need. This book will provide you with advice related to every step of the process—from announcing your engagement, to booking a venue, to choosing the perfect date. You will learn when to book florists, caterers, and entertainers—and which questions to ask them before you do so.

More than a simple manual, this book also features reflections and quotes from brides who share their own real-life experiences choosing their first songs, trying on one dress after another, and worrying about centerpieces, seating charts, and writing the perfect vows.

At a convenient size, *The Little White Book of Wedding Planning Wisdom* can be easily slipped into your purse to consult as you move from one appointment to another, whether you're meeting with potential photographers, cake bakers, or jewelers.
