Lake District: Low Level and Lake Walks (British Walking) Vivienne Crow

This guidebook describes 30 low-level day walks in the valleys, beside the lakes and on the low fells of the Lake District, suitable for walkers of all abilities. Each route is illustrated with OS map extracts, and range from 7 to 17km in length, with no technical difficulties over terrain from wide constructed trails to narrow paths on open fell. Walkers who know the Lakes well may have missed some of the lower gems covered here from delightful wooded glades and sparkling tarns hidden in green folds on the hillside to tumultuous waterfalls and glacier-carved valleys towered over by craggy mountains, this guidebook aims to seek out the best lower level walks the Lake District have to offer.

Located across the whole of the Lake District, the walks are divided into five sections: South Lakes (Windermere, Coniston, Duddon and the south), Central Lakes (Ambleside, Langdale, Grasmere and Thirlmere), Western Valleys (Eskdale, Wasdale and the Buttermere area), North Lakes (Keswick, Borrowdale and Derwentwater) and Eastern Lakes (Ullswater and Patterdale).

From reader reviews:

Clara Lee:

As people who live in the modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This Lake District: Low Level and Lake Walks (British Walking) is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

George Hinnenkamp:

This book untitled Lake District: Low Level and Lake Walks (British Walking) to be one of several books which best seller in this year, that's because when you read this guide you can get a lot of benefit on it. You will easily to buy this kind of book in the book retail outlet or you can order it by using online. The publisher in this book sells the e-book too. It makes you more readily to read this book, as you can read this book in your Touch screen phone. So there is no reason to your account to past this book from your list.

John Harris:

This Lake District: Low Level and Lake Walks (British Walking) is new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or else you who still having bit of digest in reading this Lake District: Low Level and Lake Walks (British Walking) can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books create itself in the form which can be reachable by anyone, sure I mean in the e-book type. People who think that in e-book form make them feel drowsy even dizzy this book is the answer. So there is not any in reading a e-book especially this one. You can find actually looking for. It should be here for a person. So , don't miss it! Just read this e-book kind for your better life in addition to knowledge.

Sergio Espinoza:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Lake District: Low Level and Lake Walks (British Walking) can make you feel more interested to read.
