Everyone in the Pee Wee Scouts wants to win a trip to Camp Blast Off, the super-cool summer camp where kids learn what it's like to be an astronaut. But there's only room for one scout from each troop in the country. So the Pee Wee Scouts set out to make the best project about the planets and the solar system: Roger is building model meteors and stars with light bulbs, Rachel is stirring up a recipe for freeze-dried peanut butter. Find out what Molly and Mary Beth are working on--maybe the most exciting project of all!
