Plains of Fire (Superbolan) Don Pendleton

The Republic of Sudan plunges into deeper chaos as weaponized Ebola is unleashed by extremists seeking total destabilization. As a brutal African warlord masterminds the murderous plague ravaging Sudan, his Russian black market conspirators and rogue allies in high places bankroll the ethnically charged slaughter, spreading panic and anarchy. Silent screams for retribution echo from the dead and dying, and Mack Bolan enters the fray, determined to give the terrormongers something to fear. The Executioner's message is loud and clear: justice is his only mandate. He won't stand down until Africa's tyrants pay the ultimate price for their bloodlust.
