Reliance on the Light: Psychic Protection with the Lords of Karma and the Goddess Diane Stein

Written for intermediate to advanced healers, RELIANCE ON THE LIGHT explains how to identify negative interference and create psychic protection in daily life through meditation and visualization. Diane Stein is concerned that a darkness has engulfed the world in the form of violence against humanity, ecological destruction, and prevailing hopelessness, and so she designed her teachings to help people gain access to the Light—the radiant energy of goodness and understanding. Achieving the psychic protection of this energy creates a collective healing process that promotes positive energy and hope.
