Bulent Gokay

Soviet Eastern Policy and Turkey, 1920-1991: Soviet Foreign Policy, Turkey and Communism (Routledge Studies in the History of Russia and Eastern Europe) Bulent Gokay

This is an impressive work that traces the relationship between the Soviet Union and Turkey on the one hand, and the Soviet Union and the Turkish Communist Party on the other, from the consolidation of the communist regime in Moscow until its fall. The book considers how 'Soviet Eastern Policy' was formed, how it changed over time, what the Soviet leaders hoped to gain in Turkey, and what impact Soviet policy had on the development of the Turkish communist movement. It is a valuable resource for students and scholars with an interest in Russian and Soviet politics and international relations.
