The Devil's Deal: An Insider's Tale of How Money is Made (Financial Times Series) Andreas Loizou

This is the ultimate insider's tale of how international finance really operates.

This controversial first person account details the ins and outs of global finance. Over 20 years the author has enjoyed privileged access to many of the world's top players in money. In this book he reveals the schemes and techniques they use to conjure up enormous sums of money, whilst explaining how international finance operates: from how financial products work and what they are, to what financiers and money players actually do.
