The Scarletti Curse Christine Feehan

Strange, twisted carvings and hideous gargoyles adorn the palazzo of the great Scarletti family. But a more fearful secret lurks within its storm-tossed turrets. For every bride who enters its forbidding walls is doomed to leave in a casket.

Nicoletta knows all too well the curse that plagues the house of Scarletti. She has always believed her miraculous healing gifts would set her apart and that no man would ever command her. Then she gazes into the dark, mesmerizing eyes of Don Scarletti and she fears for her future—for it is Scarletti's ancient right to select a bride from among his people . . . and he has chosen her.

Compelled by duty, driven by burning, inescapable desire, Nicoletta surrenders to this powerful, hypnotic man, giving her body willingly into his keeping. But will the tormented don be her heart's destiny . . . or her soul's destruction?

From reader reviews:

William Jimenes:

Reading a book tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. With book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this The Scarlett Curse.

David Colon:

The reason? Because this The Scarlett Curse is an unordinary book that the inside of the book waiting for you to snap that but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who all write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

Irene Wang:

Do you like reading a guide? Confuse to looking for your best book? Or your book ended up being rare? Why so many problem for the book? But virtually any people feel that they enjoy regarding reading. Some people likes examining, not only science book but novel and The Scarlett Curse or perhaps others sources were given expertise for you. After you know how the great a book, you feel would like to read more and more. Science publication was created for teacher or maybe students especially. Those ebooks are helping them to add their knowledge. In different case, beside science book, any other book likes The Scarlett Curse to make your spare time far more colorful. Many types of book like this one.

Jennifer Shipley:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from your book. Book is written or printed or outlined from each source this filled update of news. With this modern era like at this point, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just searching for the The Scarlett Curse when you required it?
