We know Lent is coming. Just after New Year's Day when the holiday activities are dying down, we briefly recognize that Lent and Easter are just around the corner. Normally, the next time we acknowledge that fact is a week before Easter as we're all running about trying to make Easter dinner arrangements and wardrobe selections. Lent is a time of reflection and preparation, but unfortunately we often allow our busy lives to take control so it seems we are teleported straight from New Year's Day through Lent. An Inner Journey to Easter is a wonderful way to prepare for Easter. For each day of Lent, there is a short prayer accompanied by a brief glimpse into the author's thoughts and observations. A few minutes a day with An Inner Journey to Easter gives you the opportunity to reflect and enrich your Lenten experience.
