Assassins--are they born or made? Do they choose this role out of necessity, because they are forced to, or because they enjoy killing? And what do they do in their spare time?

These are just a few of the questions answered in this all-original collection of twelve tales by fantasy's finest--focusing on killers of all kinds. From Vree, Tanya Huff's well-known assassin from her *Quarters* novels, to a woman whose father's vengeful spirit forced her down dark magic's bloody path, to an assassin seeking to escape his Master's death spell, here are spellbinding stories of murder and mayhem, and the shadowy figures who sell death for a living.
