Estudios sobre el régimen jurídico de las asociaciones público-privadas (Spanish Edition) José Luis Benavides

Cada año el Departamento de Derecho Administrativo de la Universidad Externado de Colombia lleva a cabo sus Jornadas de Derecho Administrativo, en las cuales los profesores tienen la oportunidad de presentar los resultados de sus investigaciones. Como fruto de esa tradición, en los últimos años, la organización de las Jornadas ha estado marcada por el desarrollo de temáticas específicas de mucha actualidad, alrededor de las cuales se invita a los profesores a participar con sus propias reflexiones sobre un aspecto particular del derecho administrativo.

Es así como las xiii Jornadas de Derecho Administrativo que tuvieron lugar en septiembre de 2012 giraron alrededor del tema de la influencia del derecho anglosajón en el derecho administrativo colombiano, concretamente basando el análisis de dicho tema en las figuras de las agencias estatales, las asociaciones público-privadas y los precedentes. En ese contexto, en el presente libro se ofrecen algunos de los textos elaborados por los profesores en el marco de la mencionada edición de las Jornadas, en particular dentro de la mesa que trató la figura de las asociaciones público-privadas.
