A Marriage of Convenience

Former mercenary Zane Ackerman wants a family. In particular, he wants a child who'll be his legacy-and his heir. That's because his upcoming mission might be his last, and it's made him all too aware of his own mortality.

Architect Lesley Walker wants a family, too. She craves a baby of her own.

So Zane suggests a marriage of convenience to give them both what they want. But given the intense attraction they feel, this arrangement is becoming less *convenient* all the time!
