The Heights, the Depths, and Everything in Between Sally Nemeth

"[A] satisfying tale of platonic best friends."—Booklist

It's the 1970s, and Lucy can't imagine anything worse than being a giant with the last name of Small . . . unless it's entering junior high: a whole new set of kids with the same old jokes. Even worse, her dad has headed out of town to "find himself." At least she still has Jake, the friend she's been with since forever. And when school begins, they get each other through everything, from the humiliation of stinking at basketball (Lucy) to the agonies of Mom's new boyfriend (Jake). Then Jake starts hanging out with resident bad boy Gary Geary. Lucy can't help worrying about Jake, but somehow her heart races every time Gary looks her in the eye.

Despite everything, Lucy and Jake know they can count on each other . . . until their friendship is tested in an unexpected way. Will they be able to stick together? Or is junior high when things change for good? This fastpaced, entertaining, humorous story about friendship and loyalty vividly captures the highs and lows of growing up.

From the Trade Paperback edition.

From reader reviews:

Sue Eldred:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great in addition to important the book The Heights, the Depths, and Everything in Between. All type of book would you see on many solutions. You can look for the internet resources or other social media.

Joshua Yoshida:

Do you have something that you like such as book? The publication lovers usually prefer to choose book like comic, short story and the biggest an example may be novel. Now, why not striving The Heights, the Depths, and Everything in Between that give your enjoyment preference will be satisfied by reading this book. Reading habit all over the world can be said as the opportunity for people to know world much better then how they react toward the world. It can't be mentioned constantly that reading addiction only for the geeky particular person but for all of you who wants to become success person. So , for all you who want to start reading through as your good habit, you can pick The Heights, the Depths, and Everything in Between become your own starter.

Carolyn Rodriguez:

That publication can make you to feel relax. This particular book The Heights, the Depths, and Everything in Between was bright colored and of course has pictures on the website. As we know that book The Heights, the Depths, and Everything in Between has many kinds or category. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. So , not at all of book tend to be make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading that will.

Crystal Babin:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Heights, the Depths, and Everything in Between can make you really feel more interested to read.
