Walt Disney World continued its pace of constant change in 2015, adding smaller attractions like Colortopia, Star Wars Launch Bay, and Club Disney at the new Sunset Showcase. There were sneak peeks of movies such as Tomorrowland, Inside Out, and the Good Dinosaur. The big changes, however, were at Disney Springs, where almost two dozen new stores and restaurants opened, and we chronicle all of them. It was also a year of many departures, and we honor them with multi-page pictorials: Captain EO, Star Wars Weekends, Magic of Disney Animation, Osborne Lights, Richard Petty Driving Experience, and a whole raft of exhibits in Innoventions.
