The story of Noah is one of the most captivating in all the Bible. Yet most people remember it mainly as a children's story found in picture books and heard in Sunday school classes. But this tragedy really took place—and widely overlooked is Jesus' stunning prophecy that the final days of planet Earth would be just as it was in the days of Noah. His point? That there would be striking parallels between Noah's day and the end times—with warnings of God's imminent judgment upon the world. Is Jesus' prophecy now being fulfilled? And if yes, how then should we respond? *As It Was in the Days of Noah* explores the similarities between the two periods, such as the rapid rise in evil and increasingly flagrant disregard for God. A powerful resource that...examines the signs that we're nearing the end times; affirms the urgency of reaching the lost with God's compassion and truth; and equips you to live wisely and "redeem the time" so it counts for eternity.
