**Eric Chevillard, l'Art de la contre-attaque (L'Esprit des Lettres) (French Edition) Daniel Marc**

Ecrivain prolifique, Eric Chevillard est l'un des plus grands talents du paysage littéraire français contemporain. Avec à son plus d'une trentaine de publications variées, il est perpétuellement engagé par son œuvre dans une entreprise de construction-démolition des codes, l'une n'allant jamais sans l'autre. Mourir m'enrhume, premier opus publié en 1967, inaugure un univers loufoque marqué par l'humour, la fantaisie et le jeu avec langage et logique. Ce monde carnavalesque opère un renversement des conventions – en priorité celles du roman et de sa dimension réaliste – de l'esprit de sérieux ou encore de la raison triomphante. Car la littérature, pour Eric Chevillard, est un art de la contre-attaque. Cet ouvrage met en lumière une œuvre encore partiellement inconnue dans toute sa saisissante cohérence et sa flamboyante originalité.
