Niceville: Book One of the Niceville Trilogy (Niceville Series 1) Carsten Stroud

Something is wrong in Niceville. . .

A boy literally disappears from Main Street. A security camera captures the moment of his instant, inexplicable vanishing. An audacious bank robbery goes seriously wrong: four cops are gunned down; a TV news helicopter is shot and spins crazily out of the sky, triggering a disastrous cascade of events that ricochet across twenty different lives over the course of just thirty-six hours.

Nick Kavanaugh, a cop with a dark side, investigates. Soon he and his wife, Kate, a distinguished lawyer from an old Niceville family, find themselves struggling to make sense not only of the disappearance and the robbery but also of a shadow world, where time has a different rhythm and where justice is elusive.

. . .Something is wrong in Niceville, where evil lives far longer than men do.

Compulsively readable, and populated with characters who leap off the page, *Niceville* will draw you in, excite you, amaze you, horrify you, and, when it finally lets you go, make you sorry you have to leave.

Read the first thirty-five pages. Find out why Harlan Coben calls Carsten Stroud the master of “the nerve-jangling thrill ride.”

Now with an excerpt from Carsten Stroud’s next book, *The Homecoming*.
