School Quiz G. Basu

The average school today is much better informed about various human endeavours than in the past. The range of knowledge has widened to cover not only science and arts, but also technology, commerce, space, environment and all that is happening in the contemporary world. This quiz book attempts to test and provide answers for the minimum all-round knowledge that a bright student would wish to acquire. Its topics include money and commerce, world affairs history, geography, the human body, plants, animals, environment, the sciences, arts and crafts, literature, philosophy, and the galaxy. There are sections also on India, the inter-war years, and vocabulary testing. Twenty sections, each with fifty quizzes, take stock of a very field indeed.
