Social History Assessment

Arlene B. (Bowers) Andrews

Social History Assessment Arlene B. (Bowers) Andrews

"Her book takes us on a journey back to the basics of conducting a thorough and informative social history and is an account of what a real social history involves...I recommend this book not only for the novice but also for all clinicians who want an edge on how to accumulate more pertinent information concerning their patients and to guide their treatment." —**PSYCCRITIQUES**

In the mental health and human service professions, taking a social history assessment marks the start of most therapeutic interventions. **Social History Assessment** is the first resource to offer practical guidance about *interpreting* the social history. Author Arlene Bowers Andrews provides rich resources to assist helping professionals as they gather and—most importantly—interpret information about social relationships in the lives of individuals.
