Promises Kept: John F. Kennedy's New Frontier

Irving Bernstein

Promises Kept: John F. Kennedy's New Frontier Irving Bernstein

A counter-revisionist examination of JFK and his administration, *Promises Kept* presents a policy history of major domestic legislative efforts between 1961 and 1963. Bernstein focuses on administrative and congressional progress under Kennedy in civil rights, education, taxes, unemployment, Medicare, and the Peace Corps. He persuasively argues that Kennedy was indeed a successful president, showing that many of JFK's campaign promises were well on their way to enactment by the time of his assassination, even after two years of dealings with a balky and often hostile Congress, and the difficulty of working in a political system changing from conservative to liberal.
