The Beast Within Kelly Ethan

What's a girl to do when she can't change into the family wolf and Mr. Beast kidnaps her man? Take the evil on and kick some ass—with or without a furry coat.

Cassidy Quinn, Private Investigator extraordinaire, helps down and dirty humans and monsters of Memorial City...for a price. But when a friend phones with a puzzling medical case, Cassidy knows the big bad has come to town—in the form of a rogue Werewolf out for blood. Making herself known to the new evil, she fights against his web of deceit and lies, battling to save her friends, family and sexy police detective Patrick Logan.

One problem—the beast has targeted Cassidy for his mate and he has the upper fang since she's stuck in human form. When Cassidy finds Logan an all too seductive distraction, the beast's anger explodes and Logan is kidnapped by the werewolf.

Can Cassidy find Logan before it's too late and he becomes the main course?
