The Black Stiletto (5 Book Series) Raymond Benson

From Book 1: Could Martin Talbot's elderly, Alzheimer-stricken mother, Judy, really have been the Black Stiletto? When Martin discovers several volumes of her diaries hidden by his mother, he is stunned beyond all imagination. His mother, the underground heroine of yesteryear? The famed, still unidentified woman who battled Communist spies, took on the Mafia, and preyed on common crooks? The woman who exacted punishment on evildoers without mercy? But it is all described, in great detail, in the diaries. What caused her to begin her quest for justice. Her decision to act outside the law. Her feats as the famed and feared vigilante. How her reputation exploded. In short, how it all played out. Could it be true? Talbot is filled with doubt and disbelief. But the reappearance of one of the Stiletto's old enemies with a thirst for merciless revenge makes the story more than real and could imperil the life of not only the Stiletto, but her son and granddaughter as well.
