The Plantation (Book 1) Stella Samiotou Fitzsimons

A century has passed since they arrived. Human history has been erased. Children are enslaved on Alien plantations. Some have heard whispers of the existence of a rebel band of humans who roam free in the forests. Most slaves dare not speak of the rebels for fear the mutant guards will grab and make an example of them.

Seventeen-year-old Freya is pulled away in the night not by the mutants, but by her old friend Finn, to join the Saviors, the mythic band of rebel teens. Her bliss fades when she discovers she is the only Savior without a special ability. She is the odd one out, slowly pushing Finn away, defying Damian, the leader of the Saviors, and antagonizing the fierce and beautiful Daphne. In her despair Freya reaches deep within to discover a dark destiny, a truth so heavy it threatens to destroy her.
