Josephine Angelini

Goddess (Starcrossed Book 3) Josephine Angelini

International bestselling author Josephine Angelini concludes her action-packed Starcrossed trilogy with *Goddess*—a romantically-charged page-turner that *Newsday* raved was a "clever reworking of Greek mythology."

After Helen Hamilton accidentally unleashes the violent gods from their captivity on Olympus, she and her friends must imprison them before their thirst for war—and blood—take over the world. But the gods' fury already has a body count, and time is running out. With Lucas Delos's life hanging in the balance, and their once-solid group of friends now divided, Helen must face this battle alone, while also deciding who has her heart—Lucas, or the possible Tyrant, Orion.

With a masterfully-woven plot and epically-high stakes, the compelling twists and turns in *Goddess* will leave readers completely spellbound.
