Vince Lombardi was notorious for his inability to throw anything away. What that means to fans of one of football's greatest figures finally comes together in *The Vince Lombardi Playbook*—an unprecedented collection of intimate photos; colorful reflections from players who honed their skills under Lombardi; personal mementos; and an array of his handwritten speeches, personal letters, scouting reports, and photos of players.

Above all, *The Vince Lombardi Playbook* highlights the plays that made the Packers great: the feared power sweep, the halfback option pass, the textbook traps, the risky third-and-short passes, and many others. Featured in diagrams in Lombardi's original hand, with accompanying terminology and notations, these archival gems form an all-access pass onto the field and into the mind of a legend.

Americans yearn for a more simple era, when athletes made news for their sporting accomplishments, not their arrests or congressional testimony. Most sports fans are equally nostalgic for the on-field simplicity of those days. Paying homage to a legend, *The Vince Lombardi Playbook* will be treasured by fans as an irresistible piece of history.
