Over You

Amy Reed

Over You Amy Reed

An intense friendship fractures in this gritty, realistic novel from the author of *Beautiful*, *Clean*, and *Crazy*, which *School Library Journal* called “compelling and moving.”

Max would follow Sadie anywhere, so when Sadie decides to ditch her problems and escape to Nebraska for the summer, it’s only natural for Max to go along. Max is Sadie’s confidante, her protector, and her best friend. This summer will be all about them. This summer will be perfect.

And then they meet Dylan. Dylan is dark, dangerous, and intoxicating, and he awakens something in Max that she never knew existed. No matter how much she wants to, she can’t back away from him.

But Sadie has her own intensity, and has never allowed Max to become close with anyone else. Max doesn’t know who she is without Sadie, but she’d better start learning. Because if she doesn’t make a decision—about Dylan, about Sadie, about herself—it’s going to be made for her. Because there are some problems you just can’t escape.

From reader reviews:

William Troutt:

Here thing why that Over You are different and dependable to be yours. First of all reading a book is good nonetheless it depends in the content from it which is the content is as yummy as food or not. Over You giving you information deeper as different ways, you can find any publication out there but there is no guide that similar with Over You. It gives you thrill looking at journey, its open up your eyes about the thing which happened in the world which is probably can be happened around you. You can bring everywhere like in playground, café, or even in your way home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Over You in e-book can be your choice.

Salvatore Anthony:

The reason? Because this Over You is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret this inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content on the inside easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Jeremy Windham:

Your reading sixth sense will not betray a person, why because this Over You book written by well-known writer whose to say well how to make book that could be understand by anyone who also read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still uncertainty Over You as good book not simply by the cover but also by content. This is one e-book that can break don't judge book by its handle, so do you still needing yet another sixth sense to pick that!?! Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

Karen Tullis:

You could spend your free time to read this book this guide. This Over You is simple to deliver you can read it in the park your car, in the beach, train and soon. If you did not get much space to bring the actual printed book, you can buy the particular e-book. It is make you much easier to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
