Shadow Strike (Superbolan)

Don Pendleton

Shadow Strike (Superbolan) Don Pendleton

Eco-Armageddon is the goal of a far-reaching plan with the scope, vision and power to strike oil rigs around the globe. With unprecedented disaster looming, Mack Bolan begins the hunt to identify and stop the terror dealers behind the threat. A trail that starts in Brooklyn's underworld leads to black market underwater mines, the looting and sinking of a British destroyer carrying gold, and the purchase of Hercules transports in Miami. The long arm of the terrorist operation, brilliantly organized by a vengeance-hungry madman, is soon to be hijacked by the Russian mob. Adding rocket torpedoes to the punishing arsenal, the enemy is all but invincible, possessing the technology, the soldiers and the greed to kill millions and doom the world.
