## **Atos Inconstitucionais (Portuguese Edition)** Rui Barbosa

A Carta Constitucional Republicana teve como autor Rui Barbosa, numa fantástica adaptação dos sistemas federalista e republicano dos EUA. E a base de todo o conhecimento acumulado provinha, não só do texto constitucional americano, mas também dos maiores comentaristas da época. No presente trabalho, Rui interpreta o texto constitucional brasileiro como uma de suas produções intelectuais de alta qualidade e repercussão indiscutível. Muitos ramos do Direito Constitucional são atacados com precisão, como os meios de controle da constitucionalidade, a competência e o estado de sítio. Mais uma vez, fica configurada a aplicação da norma constitucional ao caso concreto, isso sob a batuta interpretativa desse nosso ilustre jurista. O presente trabalho servirá de base para muitos outros estudos acerca de temas tão interessantes, como os meios de controle da constitucionalidade, o estado de sítio e a competência dos tribunais, entre outros.
