Call of the Siren by Rosario Lario

Siren-demon hybrid bounty hunter Dagan Meyers swore he'd never settle down. His older brothers might've adjusted well to family life, but tying himself to one woman is so not Dagan's bag. Until he meets the gorgeous angel Lina, his brother Ronin's long-lost adopted sister, and can't think of being with anybody BUT her. Too bad Ronin's well aware of Dagan's party-boy lifestyle and won't let him anywhere near his seemingly angelic baby sister.

Living the life of a mercenary has been perfect for Lina, who is still getting over abandonment issues that began when she was orphaned as a child. The last thing she wants is to develop feelings for the smooth-talking man she knows will eventually leave her. But as the whole group battles a growing darkness—a powerful dark fae who's harnessed untold power—Dagan and Lina find that love may be their greatest weapon against the evil that threatens to destroy them all.
