Educomunicação. (Portuguese Edition)

Adilson Citelli

Educomunicação. (Portuguese Edition) Adilson Citelli

Este livro traz um panorama dos modos como os meios de comunicação apresentam os professores do Ensino Básico brasileiro. Para discutir tais perspectivas, oito pesquisadores, entre mestrandos e doutorandos da Escola de Comunicações e Artes da Universidade de São Paulo (ECA-USP), sob a orientação do professor Dr. Adilson Citelli, observaram ao longo de mais de um ano as mensagens que circulavam em variadas mídias, revelando os resultados no conjunto de textos que formam a obra. Adotando enfoque analítico/crítico, os autores mostram como o jornal, o rádio, a televisão, a publicidade, o cinema constituem as representações dos docentes e, também, como podem incluir desde estereótipos até idealizações pouco ou nada referidas ao cotidiano dos profissionais educadores. Como parte da Coleção Educomunicação, a obra permite abrir novas trilhas de pesquisa no campo que inter-relaciona comunicação e educação e, ainda, aprofundar a reflexão acerca do papel, da condição e dos mecanismos de representação dos professores no contexto da educação em nosso país.
