Mónica Koppel

**El gran libro del Feng Shui (Spanish Edition)** Mónica Koppel  
**De Mónica Koppel, la autora de *Feng Shui para el amor*.**

**El libro definitivo para armonizar tu vida y tus espacios con Feng Shui.**

El **Feng Shui** es una filosofía de origen chino que surge de la inquietud por el estudio del paisaje y de las formas que prevalecen en el entorno, así como su influencia en el ser humano. Es el arte de encontrar un lugar adecuado para cualquier cosa y crear ambientes agradables que fomenten el crecimiento físico, mental y espiritual del ser humano, por medio del efecto inconsciente que el entorno le genera.

De acuerdo a esta filosofía, nuestra vida y nuestro destino están entrelazados con el trabajo de las misteriosas fuerzas del universo y la naturaleza, más que con las propias acciones del hombre. Estas fuerzas son las responsables de la salud, prosperidad y buena suerte del ser humano.

En el aspecto sexual, el Feng Shui puede colaborar como una herramienta interesante para crear una determinada atmósfera con base en las necesidades de la relación de pareja, para atraer a alguien e incluso se puede, apoyándonos en astrología de Feng Shui, analizar a profundidad la relación y comportamiento mutuo de dos personas y aportar sugerencias invaluable para crear un ambiente de armonía, que conducirá a una convivencia agradable.
